ADMINISTRATIVE

To standardize competition, the participating shows have adopted these rules, as written by the United Showmanagers Alliance, to apply to their three-tier, multi-level GroomTeam Sanctioned competitions.

Each show also offers its own Addendum that contains special class rules, information applicable to that specific show, and a Competitor Entry Form. You must contact individual Show Managers for a copy of their Addendum, or a copy may be downloaded at www.unitedshowmanagersalliance.com.

Participating Show Managers will adhere to the rules as written; however, any rules, regulations, and/or procedures that may be subject to interpretation will be adjudicated by the respective Show Manager, Contest Manager, and/or Contest Coordinator.

Competitors and/or participating Show Managers who would like to request a rule addition or change should submit those suggestions, in writing, for review by the copyright owners; i.e., Martin Gerald Schinberg and Ann N. Stafford. A "Board Review Request" form may be submitted online or be downloaded at www.unitedshowmanagersalliance.com.

COMPETITOR'S RESPONSIBILITY

It is the Competitor's sole responsibility to read and adhere to the rules contained herein. Please do not rely on anyone else's interpretation, as failure to abide by the rules could result in dismissal or disqualification from competition. Questions should be directed to the respective Show Manager prior to arrival on site, and the Contest Manager, Contest Coordinator, or Ring Steward thereafter. Rules will not be waived or amended to accommodate a Competitor who "didn't read the rules!"

MISSION STATEMENT

The mission of the United Showmanagers Alliance is to improve pet styling competitions through standardization. The goal is to promote high standards of pet styling and to advance the education of pet stylists and pet owners. Judges will only award placements to entries that are groomed to AKC breed profile (applicable to Terrier, Sporting, Non-Sporting, and All Other Purebred classes), with no major styling faults.

GROOMTEAM USA SANCTIONED CONTEST

Competition at participating shows has been sanctioned by GroomTeam USA, Inc. This non-profit organization encourages professional pet stylists to maximize their grooming education and skills, and offers them the opportunity to earn points by competing in sanctioned contests held throughout the USA within each designated two year period. Top point earners have the honor of being ranked as the top ten Competitors in the country. Depending on the number of Competitors allowed by the host country, the top-ranking GroomTeam Competitors may have the privilege of representing the USA in World Team Competition. For more information, visit their website at www.groomteamusa.com or visit their booth at the shows.

ENTRY CLOSING DATE

Entries for all competitions at Member Shows must be personally signed by the Competitor and received, with payment, by fax, electronic submission, or U. S. mail, no later than 5 pm in the respective show's time zone, fourteen days prior to the competition's commencement date. See respective Registration Forms for specific deadlines. After the closing date, a Competitor may change dogs within a class but may ***not*** switch or add classes. Competitors are responsible for confirming receipt of their Registrations. **Late entries will not be accepted.**

ENTRY FEES

See respective Show Addendum and/or Competitor Registration Form.

STRUCTURE

Three-Tier, Multi-level Competition

Participating shows have three divisions of competition, with six regular classes in each division. Each division is designed to allow pet stylists to compete with Professionals who have similar competitive experience. Divisional winners compete for Group placements and first place Group winners compete for the title “Best Pet Stylist In Show.” The Best Pet Stylist In Show winner can come from any of the three divisions.

DIVISIONS

Open

Open to all Competitors.

Intermediate

Restricted to competitors who have not won:

- (1) Three Group placements at a United Showmanagers Alliance Sanctioned Show, or
- (2) Best Pet Stylist In Show or Best All Around Pet Stylist In Show at a United Showmanagers Alliance Sanctioned Show, or
- (3) Best Pet Stylist In Show or Best All Around Pet Stylist In Show in any Open, Expert, or Division A GroomTeam Sanctioned Competition.

Owners, handlers, or breeders who have “finished a Champion” in a specific breed, instructors, pet styling contest judges, and certifiers must compete in either the Intermediate or Open Division.

Entry

Restricted to competitors who have never competed, or who have not won:

- (1) Three Division first placements, or
- (2) A Group placement, or
- (3) Best Pet Stylist In Show, or equivalent, or Best All Around Pet Stylist In Show, or equivalent, from any Division at any GroomTeam sanctioned competition.

Should any Class Division have less than two entries, Competitors must move to another Division, if eligible, or may elect to withdraw. Competitors may not compete in multiple divisions, unless division change is mandated by Contest Management.

REGULAR CLASSES

HANDSTRIPPED ENTRIES - ALL CLASSES

Handstripped coats may be staged and/or kept in “rotation” per orthodox breed trimming methods and techniques as prescribed by respective breed clubs for preparation of the breed for conformation shows. However, sufficient coat must be removed during the competition and within the allotted time to make a distinct difference in the dog’s overall appearance; i.e., appearance of its head, body, legs, feet, tail, expression, profile, and overall length of coat.

Competitors may use clippers if prescribed by the respective breed club as a common method or technique used to prepare the breed for “show” (for example, shaving cheeks on the Scottish Terrier and Miniature Schnauzer); however, all clipper work and handstripping must be performed in the contest ring within the time allotted.

Chalk and/or other finishing agents may be used, provided they are applied prior to class start or within the time allotted, and that upon inspection by the Judge, the coat may be combed through using orthodox breed techniques. For example, Judges would not comb through chalked, teased, or product-enhanced heads of Terriers, such as the Westie.

SPECIAL CLASSES

An Addendum to this publication, which contains rules for Special Classes, information applicable to each Show, and a Competitor Registration Form, is available upon request from each respective Show Manager or by download at www.unitedshowmanagersalliance.com. Competitors in Special Classes must adhere to all applicable rules as described herein, and all rules as described within the respective show’s Addendum.

ELIGIBILITY OF COMPETITORS

1. Competition is open to all interested parties.
2. No one employed by the Show Manager or involved in the production of the show may enter.
3. Contest Judges and Speakers with assignments at the show will be excluded from Regular and Special Class competition.
4. Employees, students, relatives, or others who have engaged in a vested business relationship within the past 12 months with any Judge may not enter under that Judge. Please check judging assignments before entering.
5. Competitors should be cognizant of the perception other Competitors and Spectators have of interpersonal relationships between Judges and Competitors. Competitors must refrain from socializing with Judges; i.e., dining, drinking, rooming, etc.
6. Competitors may not enter under any Judge when their presence or the presence of their dogs might give the impression of unfair advantage. Judges must refrain from providing dogs for Competitors in any class they are judging.

There will always be “gray areas.” Always ask yourself whether the situation, however innocent, projects an outward appearance of impropriety. A good rule of thumb is: If you have concerns about whether something is inappropriate, you probably should avoid the situation.

7. Competitors with judging conflicts at the Best Pet Stylist In Show Level may compete at Division and Group Level, but will be disqualified from Best Pet Stylist In Show Competition.
8. Competitors with judging conflicts at the Group Level may compete at the Division Level, but will be disqualified from Group competition.

ELIGIBILITY OF DOGS & DISQUALIFICATIONS

1. Law dictates current rabies vaccination for all dogs.
2. Must be entered in the appropriate breed class to be eligible for that competition.
3. Must be within the specified height range for classes with height requirements.
4. Six weeks or more growth of hair is desirable; however, it is recognized by show management that some coats grow more quickly/slowly than others. Therefore, adequate coat will be defined as follows: Coat must be sufficient to allow Competitor to create a distinct difference in its overall appearance; i.e., appearance of its head, body, legs, feet, tail, expression, profile, and coat length.
5. Coat must appear healthy, shiny, pleasant-smelling, and free of ectoparasites and mats by trim completion. A comb will go through a tangle but not a mat without exerting force.
6. Must be healthy and free of infectious diseases or parasites.
7. Must be manageable, without any sign of aggression or viciousness.
8. Competitors may not compete with dogs provided, bred, or owned by their Judge.
9. Competitors who are disqualified prior to the beginning of competition will be asked to leave the ring.

REASONS FOR COMPETITOR DISQUALIFICATION/DISMISSAL

1. Non-payment of contest fees and/or late registration.
2. Coaching from within or outside the contest ring, including use of audio/visual aids.
3. Uncooperative or disruptive behavior in the contest ring.
4. Cruel and/or inhumane treatment of a dog whether by handling or neglect.
5. Late arrival to the ring.
6. Razor burning and/or injuring a dog.
7. Rough handling techniques.
8. Fraudulent class entry.
9. Disrespect, abuse, or damage of hotel, facility and/or show management property.
10. Any infraction of Show's Contest Rules.
11. Conflict of interest between Competitor and Judge.

AWARDS & PRIZES

All divisions are judged simultaneously. Three placements are awarded in each division.

Division placements are judged against each other to choose the Group Placements as follows:

1st Place	Selected from the three first place winners;
2nd Place	Selected from the two remaining first place winners and 2nd placement of the 1st Place Group Win;
3rd Place	Selected from the next highest ranking winner from each Division.

GroomTeam points are awarded to Group placements based on the number of Competitors in Open and Intermediate Divisions.

The title **"BEST PET STYLIST IN SHOW"** will be awarded to the Competitor judged to have styled the best entry in show, to be selected from the first place group winners. First place group winners must remain in the Group ring for examination by the Best In Show Judge and return for the Best Pet Stylist In Show Competition. Competitors may brush, comb, and re-apply rubber bands, finishing sprays and coat-enhancement products, such as hairspray and chalk, prior to Best In Show judging.

The Competitor judged to be runner up to the Best Pet Stylist In Show will be designated as **"BEST PET STYLIST IN SHOW RESERVE WINNER."** In the event that awards to the "Best Pet Stylist In Show" are revoked, all cash prizes, trophies, and title of "Best Pet Stylist In Show" will be bestowed upon the "Best Pet Stylist In Show Reserve Winner."

The title **"BEST ALL AROUND PET STYLIST IN SHOW"** will be awarded to the Competitor who has successfully competed in at least three regular classes and has accumulated the most "Group" points.

To qualify for "Group" competition, Competitor must place 1st, 2nd or 3rd within a regular class.

To qualify for "Best All Around Pet Stylist In Show," Competitor must enter a minimum of three regular classes.

To qualify for "Best Pet Stylist In Show," Competitor must place 1st in group competition.

Group points are awarded as follows: 1st Place - 3 Points 2nd Place - 2 Points 3rd Place - 1 Point

In the event of a tie, the winner of the Best All Around Pet Stylist title will be determined as follows:

1st Tie Breaker:	Most Group placements. Example: Three 3rd placements (3 Points) will beat one 1st placement (3 Points)
2nd Tie Breaker:	Most Competitors defeated. A point will be assigned for every Competitor they have beaten in each class.
3rd Tie Breaker:	Most Regular Class entries.

Placements at the show will not affect the Competitor's division eligibility throughout the weekend, but may require the Competitor to enter a higher division at subsequent three-tier Shows.

All trophies, cash awards and prizes must be claimed no later than 6:00 p.m. on the last day of the competition. Prizes unclaimed at that time shall remain the property of show management and cannot be claimed at a later date.

Competitors with wins exceeding \$600 will be issued 1099's, as required by IRS guidelines.

WITHHOLDING AWARDS

Awards will be withheld in the event that the finished trim does not give the illusion of the AKC breed profile. In the case of Potpourri breeds, suitability of the trim to the dog, expression, balance, symmetry, angulation and smoothness of finish are the determining factors. Entries must have a “finished” appearance.

If the quality of work presented has attained acceptable professional standards; i.e., trim is finished, meets breed profile, where applicable, and there is no basis for dismissal or disqualification, award placements cannot be withheld.

Provided sufficient eligible Competitors are entered, 1st, 2nd and 3rd placements must be awarded in that order to the respective Competitors. Should there only be two Competitors in a class, then 3rd place would clearly not be awarded.

CONTEST POLICIES & PROCEDURES

1. Smoking will not be allowed in the ring or in any area of the facility where there are show activities.
2. Entry fees will not be refunded in the event that a dog is absent, disqualified, or excused by the Judge.

No entry fees will be refunded if the Show cannot open or be completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an Act of God, public emergency, act of a public enemy, strikes, or any other cause beyond the control of show management.

3. All types of grooming and styling methods and techniques are permitted: clipping, scissoring, straight shears, thinning shears, hand-stripping, plucking and carding. Use of snap-on combs is also permitted.
4. Competitors will have access to the ring 30 minutes prior to class start and must be set up and have their dogs ready for the judge's inspection at the time stated for pre-judging in the respective show Addendum. The class will begin as soon as the last entry is pre-judged. Competitors who are not set up in the ring at time shown for pre-judging will not be allowed to compete. Plan to be in the ring at least 15 minutes prior to pre-judging.
5. The judges will visually examine the dogs prior to the start of the various classes to determine eligibility of the entry. Competitors will have the opportunity to call anything to the Judge's attention that might reflect poorly on the quality of their finished entry. Each Competitor must provide a comb for use by the Judge, should the Judge elect to comb through the dog's coat.
6. Competitors are responsible for supplying their dogs and grooming equipment, inclusive of crates, clippers, shears, brushes, combs, nooses, shampoos, etc. Competitor must supply dryer and grooming table/arm, unless show addendum states otherwise. Competitors must also supply towels and are prohibited from using hotel guest towels and/or linen. Equipment must be quiet enough so as not to cause a distraction for other Competitors or their dogs.
7. Due to the electrical problems incurred when circuits are over-loaded, hair dryers will not be allowed in the ring. Use of other equipment that requires excessive amperage, such as vacuum systems, etc., is also prohibited. Low amperage lighting will be allowed as long as it doesn't create a power problem or visual distraction to other Competitors.

8. Judge's critiques will be allowed in the ring if they do not interfere with set-up of the next class. Competitors may also seek critiques from their respective Division or Group Judges outside the ring. Critiques from other Judges would be deemed inappropriate.

9. Preference will not be shown to dog's size or labor-intensive techniques, inasmuch as they are allotted more time.

10. A Judge's Consultant will be available to act in an advisory capacity, should any Judge feel the need to exchange views with another professional pet styling expert.

11. Competitors are encouraged to dress professionally. Excessively tight or revealing attire is strongly discouraged. Styling smock is required during competition. Shoes (preferably with non-skid soles) must be worn. "Flip flops" and other open-toed shoes are considered to be unsafe ring attire and will not be allowed.

Best In Show Awards Presentation dress code is "dressy." Grooming attire or jeans/t-shirts will not be allowed. This dress code also applies to Competitors' Assistants. A show staff member will be appointed to present the entry of any Competitor who is inappropriately dressed for the Best In Show Awards Ceremony.

12. Each Competitor will be held financially responsible for damage to hotel and/or facility property. If Show Management is notified by the hotel and/or facility that a Competitor has allowed a dog(s) to become a public nuisance, soiled hotel and/or facility property in public areas without clean-up, or been charged for damage to a sleeping room, Competitor will be disqualified.

13. Competitors who use bathing and drying facilities, as designated and dictated by the show management and/or host facility, will be held financially responsible for any and all damage(s).

14. Competitors fraudulently entering classes for which they are not eligible will also be disqualified.

15. Disqualification for infraction of policy #12 and/or #13 will result in forfeiture of all titles, prize money, and trophies/plaques. Competitor will be banned from future competition, without benefit of registration fee refund. Notification of such disqualification will be sent to other Show Managers and GroomTeam USA.

16. Competitors are reminded that they have agreed to accept the decisions of Show Management as final and binding. Good sportsmanship is expected inside and outside the ring.

17. Written communication with the appropriate Show Manager is the professional method of resolving issues and is encouraged. Open communication between Show Management and Competitors is crucial to the growth of our industry. A Suggestion/Grievance form is provided in this publication.

Should a Competitor have a grievance related to the competition itself or another Competitor, the following procedure must be followed:

- a. Verbally notify the Contest Coordinator at time of occurrence, and
- b. Immediately submit a formal grievance, which must be submitted in writing, with verifying documentation, to the Contest Coordinator.

Grievance(s) will not be accepted after the close of the class, with the exception of sportsmanship issues, which must be submitted prior to the close of the show and while all involved parties are on site.

GENERAL RULES

1. Preparatory Work: All dogs should be freshly shampooed and dried, with ears cleaned, and toenails clipped prior to the competition.

For sanitary reasons, the genital and stomach areas can be pre-trimmed, according to the breed's standard. The pads under the feet may also be trimmed.

Poodle faces and feet may be trimmed up to two weeks prior to competition, but must be "fuzzy" enough to demonstrate proper line set and clipper expertise.

With the exception of the preparatory work listed herein, all other trimming, rubber-banding and styling of the dog's coat must be performed in the ring within the specified class time.

2. When time is up, it's up! With the exception of finishing sprays, nothing can be done to the entry other than re-combing of the coat. For example, placement of bands in show topknots would have to be done in the allotted class time.

Judges will not comb through the head/neck of entries in show trims requiring application of rubber bands, hair-spray or other coat-enhancement products.

3. Personal equipment must be removed from the ring after each class.

Personal tables may remain if you identify the table as your personal property and its need for the next class.

Large equipment cases and crates will not be allowed in the ring.

4. All dogs are to be crated and properly exercised while not being groomed. Please bring sufficient crates to house your dogs. All dogs must be on leash when not crated. Each competitor should bring plastic sheeting to be placed under and around the dog crates, plus newspaper and small plastic bags for disposal of dog waste, etc.

5. No shop, kennel, competitor sponsor, or other business entity may display its name or logo in the ring. This includes uniforms, jewelry, etc., by past and current GroomTeam members.

6. Dogs must not be left unattended on tables. Ask the Ring Steward for assistance if you must walk away from your table! Violators will be warned once; second violation will result in dismissal from the class!

7. Dyeing of dogs is not permitted. Color enhancing, however, is acceptable. For example, a black coat that is dull may be brightened or the black color highlighted and darkened, but it cannot be dyed to appear other than black. Chalk and chalk-like products are allowed, but table and surrounding area must be protected. All other color must be done prior to arrival on site.

8. Dogs should be presented for judging without bows, bandannas and/or nail polish.

9. Beverages may only be brought into the ring in "spill-proof" containers.
10. Radios, headsets and/or cell phones may not be used in the ring.
11. Visual aids, such as photos, books, dvd's, etc., may not be used in the ring.
12. Conversation in the Ring must be kept to a minimum; it is distracting to other Competitors and could be perceived as "coaching."
13. Photography is not allowed while the Competition is in progress.
